Journal
American Association of
Nurse Anesthetists
Volume XXXVI 1968
Index of Subjects and Authors

A

Aberg, Harriet L.: Hospital Safety, 142, 445

Abstracts, 64, 143, 210, 279, 374, 449

Adriani, John: Vasopressors: Mode of Action, Uses, Abuses and Hazards During Anesthesia, 187

American Association of Nurse Anesthetists: nominees, 285; officers, IFC; program, 293

Anesthesia, and antihypertensive therapy, 43; arterial oxygen tension during (abstract), 211; for carotid artery surgery (abstract), 146; for casualties in Vietnam, 253; for chest surgery, 23; for craniostenosis, 347; for craniotomy (case report), 366; for diaphragmatic hernia, 204; history of, 111; for neurosurgery, 130; for obese patient (abstract), 376; for obstetrics (abstract), 376; for open heart surgery, 340; psychophysiological response to (abstract), 210; recovery after (abstract), 64; use of vasopressors, 187

Antihypertensive therapy, 43

Arens, James F.: Cardiovascular Effects of Muscle Relaxants, 120

Aspiration pneumonitis, 253

B

Bakutis, Alice R.: Anesthesia for Craniostenosis, 347

Blood, plastic storage of (abstract), 374; transfusion, 216; transfusion (abstract), 374

Book Reviews: Acute Barbiturate Poisoning: Treatment with Modern Methods of Resuscitation, 151; Anesthesia for the Poor-Risk Patient, 216; Aspiration Pneumonitis, 215; Cardiopulmonary Resuscitation: Conference Proceedings, 150; Diazepam in Anesthesia, 283; Dimensions of Professional Nursing, 215; Drugs in Current Use, 150; The Head Nurse: Thoughts and Decisions, 215; Metabolism, 284; Nursing Examination Review Book: Maternal and Child Health Nursing, 284, Medical Surgical Nursing, 216, Psychiatric Nursing, 283; Problems in Hospital Law, 283; Recent Advances in Anesthesia and Analgesia, 151; The Year Book of Anesthesia (1967-1968 series), 216

Branford, John O.: Effects of Surgery and Drugs upon Cardiac Function, 350

Bupivacaine (abstract), 145

Burn patients (abstract), 451

C

Calendar of Events, 80, 162, 227, 307, 387, 467

Campbell, Mary B.: Pioneers and Perseverance, 111

Carbon dioxide, effect with relaxants (abstract), 64

Cardiovascular system, effects of muscle relaxants, 120

Casualities, Management of (abstract), 65

Celiac blockade, for shock (abstract), 449

Central venous pressure, monitoring, 126

Cephalic version (abstract), 376

Chest, elasticity of (abstract), 143; surgery, 23

Children, Jackson Rees technique for, 197

Chloroform, effect on liver (abstract), 377

Circulation, effect on (abstract), 451

Classified Advertisements, 68, 152, 218, 297, 379, 453

Codeine, effect on eye (abstract), 378

Communication, interpersonal, 335

Convulsions, following lidocaine (abstract), 282

Craniostenosis, anesthesia for, 347

Craniotomy, anesthesia for (case report), 366

Cross-infection, of equipment (abstract), 148

D

Decurarization (abstract), 144

Diaphragmatic hernia, anesthesia for, 204

Dobson, Donald P.: Pre- and Postoperative Use of Inhalation Therapy, 274

Dornette, William H. L.: Monitoring the Anesthetized Patient: Practical aspects and legal connotations, 420

Drugs, adjunctive, 433; evaluation of (abstract) 279; local analgesic (abstract) 145; psychosedative (abstract) 149

Durrant, Charles W.: Postanesthetic Suggestion, 35

E

Eastwood, D. W.: Anesthesia for Chest Surgery, 23

Embolism, during transfusion (abstract), 374

Endarterectomy, anesthesia for (abstract), 146

Endotracheal tubes, reaction to (abstract), 281

Equipment, cross-infection (abstract), 148

Eryasa, Yilmaz: Antihypertensive Therapy and Anesthesia, 43

Eye, effect of drugs (abstract) 378

F

Fieber, Warren W.: Massive Fluid Therapy, 426

Fluids, massive therapy, 426

G

Galanthamine hydrobromide (abstract), 144

Gallamine (abstract), 64

Gerwig, Jr., Walter H.: Effect of Thiethylperazine as Prophylaxis for Nausea and Vomiting in Surgery, 122

Gunn, Ira P.: Current Nursing Issues and their Implications for the Preparation of Nurse Anesthetists, 413

H

Halothane (abstract), 451; effect on liver (abstract), 377; headache following (abstract), 210

Hawkins, Robert Bentley: A Human Approach to Interpersonal Communication in the Hospital, 335

Hayt, Emanuel, 371, 446

Headache, following halothane (abstract), 210

Heart, arrest, 55; function, 350; surgery, 261, 340; valve replacement (abstract), 66

Hexafluorenium, 48

Hichuk, Ann: Observations on the Use of Hexafluorenium and Succinylcholine, 48

History, of anesthesia, 111

Hospital Safety, 142, 445

Huffman, John: The Application of Prisms to Curved Laryngoscopes: A preliminary study, (notes), 138

I

Inhalation therapy, 274

Innovar, use in heart surgery, 340

Insurance, 62, 140, 208, 277, 369, 443

J

Jackson Rees technique, 197

Jacobson, Jack: The Management of Patients Taking Drugs Prior to Anesthesia, 433

K

Kidney, disease (abstract), 450

L

Legislation: Governmental status of hospital bars damages for patient, 373; no damages recoverable for death of infant caused by lack of oxygen, 446; no damages for delivery of baby to wrong parents, 447; physician charged with neglect to answer telephone calls of patient, 371

Laryngoscopes, with prisms (notes), 138

Liability, 420

Lidocaine hydrochloride (abstract), 282; CNS reaction to (abstract), 146

Liver, effect of drugs (abstract) 377

Lundgaard, Martha J.: Educational Programs in Nursing Anesthesia and Related Services in Minnesota Hospitals: 1955-April 1968, 358

Malmuth, Doris: Cardiac Arrest: Resuscitation Program, 55

Mehl, Ruth S.: Jackson Rees Technique in Pediatric Anesthesia: 1000 cases reported, 197

Mendelson's syndrome, 253

Mendoza, Jr., Catalino B.: Effect of Thiethylperazine as Prophylaxis for Nausea and Vomiting in Surgery, 122

Methoxyflurane, 437; (abstract), 450

Monitoring, during anesthesia, 420; central venous pressure, 126

Morphine, effect on eye (abstract), 378

Muscle relaxants, 120; (abstract), 144

Mylaxen, see hexafluorenium

N

Nagel, Eugene L.: Cardiac Arrest: Resuscitation program, 55

Nalorphine, effect on eye (abstract), 378

Nausea and vomiting, use of thiethylperazine, 122

Nelson, Donald S.: Jackson Rees Technique in Pediatric Anesthesia: 1000 cases reported, 197

Neostigmine methylsulfate (abstract), 213

Neurolept analgesia, during heart surgery, 340

Neurosurgery, anesthesia for, 130

Newlon, Ocie: Effect of Thiethylperazine as Prophylaxis for Nausea and Vomiting in Surgery, 122

Nivalin, see galanthamine hydorbromide

Notes and Case Reports, 138, 366

Nurse Anesthetist, nursing issues and, 413

O

Obesity, anesthesia and (abstract), 376

Oxygen, arterial tension during anesthesia (abstract), 211; hyperbaric (abstract), 375; toxicity (abstract), 279

P

Pancuronium bromide (abstract), 144

Penthrane, see methoxyflurane

Peridural effusion of drugs (abstract), 66

Postanesthetic suggestion, 35

Postoperative mortality (abstract), 145
